### Group Communications Image Permission

Dear Parents and Guardians,

Photographs of the Joeys, Cubs, Scouts and Venturers on the site are a valuable part of our Group website, display boards, newsletters and publicity materials. As part of our activities we regularly photograph and video children at Scouting activities and use the images for the enjoyment of children and parents and in our Scouting communications.

At the suggestion of Scouts Victoria, our governing body, it is our policy to identify the children by their first names only in image captions wherever they may be used.

We request your written permission to publish images that may include your child or children. Most importantly, your advice is essential if you DO NOT want your child's photograph published.

This is not a Model Release and applies only to images in relation to Section or Group activities.

Please complete the details below, sign and return to the Section leader.

Yours in Scouting,

Tony Zilles  
Group Leader
